Green Farewells Crematory is dedicated to providing affordable and eco-friendly cremation services to our community in Nevada and across the nation. We uphold the highest standards of ethical conduct, quality & personalized care.

Disclosure: This facility is unable to provide rites or ceremonies and facilities to conduct rites and ceremonies in connection with the final disposition of the remains. This facility is unable to provide embalming of human remains and burial services. This facility is unable to provide viewing of the remains other than an identification viewing. (NRS 642.5172) (NRS 642.465(5))

Disclosure: The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. (NRS 642.019, 16 CFR 453)

Disclosure: Alkaline hydrolysis, require larger urns due to the larger amount of cremains compared to a traditional cremation.

Basic Professional Services of Funeral Director Staff & Overhead Fee:\$415
 This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, and forwarding or receiving remains). (NRS 642.019 16 CFR 453)
